# YUAN LI (LEO)

EA-ASSESSED ENGINEER · SITE SUPERVISION · MAINTENANCE · IT SYSTEMS

Personal website: yuanli-au.github.io | svip.leo@gmail.com

## IT SKILLS

– Office productivity: Microsoft 365, Google Workspace; Excel—advanced formulas and VBA

– IT troubleshooting: hardware, software and network connectivity

– Data analysis & digital tools: Power BI—data modelling, DAX and dashboards; Power Apps

– School administration: TechnologyOne CiAnywhere—timesheets and leave

– Programming & databases: Python, SQL

– Design & multimedia: Adobe InDesign, Photoshop; video editing

## ENGINEERING SKILLS

– Site supervision, task allocation & safe work practices

– Basic vehicle maintenance, minor repairs & routine oil changes

– Parts sourcing & purchasing

– Construction support: external wall framing & interior refurbishment

– Materials Forming & Control Engineering—degree background

– Engineers Australia migration skills assessment: Engineering Professionals nec (ANZSCO 233999), July 2024

## LICENCES & CLEARANCES

– Full NT driver licence (Class C); approx. 100,000 km driven in Australia, accident-free

– Working with Children Clearance (Ochre Card), valid to Apr 2028

– National Police Check (Mar 2025)

– White Card (Construction Induction)

## LANGUAGES

– Mandarin — native

– English — PTE Academic: Overall 62 (2023)

## PROFILE

Two years' experience at OLSH, including after-school campus cleaning, page layout and desktop publishing at the LPC, and ongoing part-time work in the Finance Office checking staff timesheets and hours worked. Previously supervised labour-hire crews of up to 20 at a sandalwood plantation in Douglas Daly. Engineering background and practical IT skills; Master of IT coursework completed, results pending (Nov 2026).

## PROFESSIONAL EXPERIENCE

### SCHOOL & DIGITAL SYSTEMS

**Finance Assistant — Timesheet Verification** *Oct 2025 – Present*

**OLSH Thamarrurr Catholic College** · ***remote since Feb 2026***

- Compile and verify handwritten timesheets and leave forms, consolidate records in Excel, and enter verified data into TechnologyOne CiAnywhere
- Check leave balances and follow up discrepancies with staff and the Finance Officer

**LPC Assistant — Publishing & Design** *Jun 2024 – Feb 2026*

**Literature Production Centre (LPC), OLSH** · ***previously contributed as a volunteer***

- Worked with local Aboriginal colleagues to produce primary-school readers using Adobe InDesign and Photoshop, incorporating supplied language content and scanned children's drawings, and completing layout and binding
- Served as the primary desktop publisher for three published readers and updated or corrected nearly 20 existing titles

### MAINTENANCE & SUPERVISION

**Cleaning Subcontractor — Regina Cleaning Service**

*Wadeye & Darwin, NT · 2024 – 2026*

- **Wadeye:** provided after-school cleaning at OLSH, prepared cleaning-supply order lists for the school's facilities team, and trained a new cleaner in site routines
- **Darwin:** led a cleaning team of 4–5 across Darwin worksites, including some RAAF facilities and Darwin Port

**Construction Labourer — Northern Trade Solutions**

*Berrimah Farm & Defence Accommodation Precinct, Darwin, NT · Late 2023 – Early 2024*

- Assisted with external wall framing installation at Berrimah Farm
- Assisted with refurbishment of a 138-room accommodation project at the Defence Accommodation Precinct, removing adhesive and residue and installing acoustic insulation in ceiling spaces

**Labour-hire Supervisor — Sandalwood Plantations**

*Douglas Daly, NT · Jun 2019 – Feb 2020 | Katherine, NT · Apr – Oct 2023*

- Supervised labour-hire crews of up to 20 at Douglas Daly, allocating farm-directed tasks including drip-irrigation pipe repairs, pruning, weed and vine removal, planting and tree removal.
- At Douglas Daly, carried out minor repairs and routine oil changes on our team's vehicles, sourcing parts and replacing faulty components
- Coordinated safe outdoor work, including drinking water and rest breaks in hot conditions and prompt reporting of injuries and hazards

### EARLIER EXPERIENCE

- **Taobao store owner** (China's Amazon-style platform), 2012–16: price comparison, purchasing, fulfilment; 10,000+ transactions. **YouTube creator:** 24,000 subscribers.

## EDUCATION

**Master of Information Technology (Software Engineering)**

**Charles Darwin University** *Mar 2025 – Nov 2026*

- Key units: Project Management, Risk and Reliability; Software Engineering; Security; Machine Learning & AI; IT Service Management
- Team project for TCASS, a Darwin NDIS provider: analysed manual-handling data and built the overall Power Apps application, now in use

**Bachelor of Engineering — Material Forming and Control Engineering**

**Yantai Nanshan University** *Sep 2011 – Jun 2015*

- Core units: Engineering Mechanics, Mechanical Design, Materials Science
- CAD/CAM, Stamping & Die Design, Hydraulics & Pneumatics
